

# TIKRIT JOURNAL OF PHARMACEUTICAL SCIENCES

available online at: <http://www.tjo-ps.com>

---

## *Instructions to Contributors*

The editorial committee of Tikrit Journal of Pharmaceutical Sciences (**TJOPS**) welcomes original articles in pharmaceutical area and related fields.

*The following notes should be followed carefully in writing the manuscripts:-*

- 1- Manuscripts should be typed with single spacing and 2 cm margin on all sides.
- 2- The title, author (s), full name (s) (first, middle initial and last name), address (es) and *mobile phone numbers* should be placed on a separated page accompanying the manuscript, and signed by all participants.
- 3- The name(s) of hospitals, institutes or laboratories should also be appearing.
- 4- Full address for correspondence, galley proofs should be supplied.
- 5- English and articles are accepted. Authors are advised to follow the *Oxford English Dictionary* in spelling. Abstract written in Arabic should follow the *Unified Medical Dictionary*. An informative summary (maximum 300 words) must be included.
- 6- Papers should normally be divided into introduction, materials and methods, results, discussion and references.

- 7- Tables and figures should be typed in single spacing and each should be comprehensible without reference to text in Arabic numbers.
- 8- Photographs should be trimmed to include only relevant section with a suitable size to eliminate the need for reduction.
- 9- Abbreviations must keep to minimum and explained where the abbreviation appeared firstly in the text.
- 10- References should be in *Vancouver Style*; They should appear in the text by number and should be listed on a separated sheet in their serial order of citation.
  - *For a journal:*  
Milliken CH, and Eaton LH, Clinical Evaluation of ACTH and Cortisone in Myasthenia Gravis. *Neurology* 1951; 1:145 – 152.
  - *For a book:*  
Pen AS. Immunological Features of Myasthenia Gravis. In: Aguayo AJ and Karpati G Eds. *Topics in Nerve and Muscle Research*. Amsterdam; Excerpta Medica 1975; 123: 23.
- 11- Three complete copies (including figures and tables) should be supplied together with floppy or compact disc.
- 12- The Tikrit Journal of Pharmaceutical Sciences does not send back unaccepted paper (s) to their contributors.
- 13- For further information, please contact TJPS at  
*College of Pharmacy/Tikrit University/Saladin Province/Iraq.*
